CELEBRATING OUR 50 YEARS

We're sure that you'll be as pleased as we are that we've succeeded in obtaining a lottery grant to create a large outdoor mosaic to celebrate 50 years of our school. We will be working with the artist Pod Clare and she has already spent an afternoon with us generating ideas with the pupils. All current pupils will have an opportunity to create part of the mosaic and we would like to also involve as many past pupils, families and staff as possible. Pod Clare will be here from 10.00am to 4.00pm on Saturday 28.4.12 and we are inviting past pupils, families and staff to drop in whenever they're able to during these times. No experience necessary and all materials provided! Please help us and spread the word to anyone you know who would like to be involved—the more the merrier!

We are also enthusiastic about creating an exhibition of photographs and artefacts to do with the school. If you or your family have anything which is relevant over the time, we would be pleased to make copies of them. There will be more details about our celebrations next term.

AREA FOOTBALL COMPETITION

Four teams represented the school at the area football competition. It was a hard fought competition and all children gave a commendable performance.

We wish the teams that will be competing in the Urdd well on Thursday.

COMENIUS VISIT—18-22.3.12

Yes it was a very busy visit! For the first time, our partner schools brought some of their pupils to visit us and it was wonderful for our pupils to get to know these youngsters, both in the classroom and during break times.

During the formal Comenius meetings the recent joint project 35 was undertaken and future plans were made including the next joint visit to Poland in May. We also enjoyed our INTERNATIONAL CONCERT. What a wonderful evening we had at the Feathers with our Polish and Spanish friends in their costumes sharing with us their traditional dances! Our thanks to all our pupils who performed their Eisteddfod items and to all parents and friends who supported. It made for a truly memorable evening.

INTERNATIONAL DAY

We approached our annual International Day differently this year and decided to take full advantage of the information which our partners could provide about their countries and cultures. We also invited Emanuel, an African drummer who gave us an input into Fair Trade as well as Leslie Pitchford who provided Fair Trade workshops. Everyone enjoyed the 'Turkish' lunch and the day proved to be a huge success with everyone—pupils and staff here and from our link schools. Everyone enjoyed themselves immensely but also felt they'd gained so much knowledge and understanding—a day to remember!

It was good to be able to welcome so many of you to the after school event giving you the opportunity to taste Polish food , provided by Colin & Rosemary Stevens and buy from the Fair Trade stall—our sincere thanks to our Polish parents.

We would also like to say a very big thank you to all our families who worked so hard to help look after our visitors and helped make sure that their stay was confortable and their visit a success.

KS.2 EISTEDDFOD

KS.2 enjoyed a day of ferocious competing between Pentwr, Cadwgan and Alban.

Mrs.Dulcie James and Mrs.Ceri Williams were the adjudicators and they were amazed by the quality of the items and the enthusiasm of the children. Pentwr won the day.
