LLANGRANNOG WEEKEND

Girls from year 4, 5 & 6 enjoyed a weekend at Llangrannog Urdd Camp.

It was great to share time with a group from Penparc while going from one activity to the next. It is always exciting to try new activities. An excellent high rope course has been built, and it was an adventure to try it out.

Everyone returned very tired on Sunday.

'TâN AR Y COMIN'

Carole Bryne Jones came to school to talk to Years 5 & 6 about the production of the film 'Tân ar y Comin'. She gave them interesting tales on how the film was created and the children had an opportunity to see clips.

This opportunity was available through the Film Club.

DENTAL CARE ACTIVITIES

Terri Brown visited from the County Dental Department to give a talk to the Foundation Phase children about caring for their teeth.

We have also had the loan of a bank of resources until the end of term for role play. Every child had a dental health pack to take home.

CELEBRATION MOSAIC

Mrs.Pod Clare has been busy coordinating a project that will result in a mosaic being erected on the school wall. Every child, and member of staff have had an opportunity to contribute and the finished item will be in its place by the end of the week.

On a Saturday in April many friends and past pupils also made a contribution. This will be a lasting commemoration , and everybody will hopefully feel that they have made a contribution

All classes in the Foundation Phase had an hour each using K-nex construction sets to build various items. There were many wonderful lighthouses, carriages to take teddy for walks and fairground rides. The hall was a hive of activity throughout.

During last half term groups of children from KS.2 went to the Leisure Centre to enjoy sessions on the climbing wall.

A group of Year 6 pupils attended the WAW event at the Arts Centre, Lampeter to celebrate Ceredigion and Carmarthenshire schools' European links.

It was wonderful to see and hear items from the participating schools and to enjoy our own 'Flamenco' contribution. They were also able to benefit from craft, drumming and zumba workshops.

SCHOOL PHOTOGRAPH

To celebrate the school's 50th anniversary and to have a visual record of all those here at this important occasion, a complete school photograph was taken recently. We are very pleased with the result and it is now on display in the entrance window—orders can now be placed for copies.

MEETING KEITH TOWLER

Osian and Heledd our ambassadors to the Children's Commissioner in Wales went to Margam Park to meet Keith Towler and other ambassadors from across South Wales. It was a profitable day discussing issues , exchanging ideas and participating in a variety of activities.

The Eco Committee recently enjoyed listening to a presentation on PV panels and how they work and support the 'green' agenda. We now hope to be able to install some panels shortly with LA support.

COMENIUS VISIT TO POLAND

Pippa and Emily travelled with Miss Hind to visit our link school in Poland and to take part in the Comenius activities arranged there.

The four schools initially introduced each other through song-stories and dance. The recent activities on investigating pupils' preferred learning styles were discussed and the next steps agreed. They participated in a variety of class activities and contributed information and answered specific questions asked by pupils.

Aspects of Polish culture and history were included and these helped us all to learn and understand our hosts far better.

MEDALS FROM THE TOWN COUNCIL

Our thanks to the Town Council for arranging for Owenna James, the Mayor and the clerk John Gwynne-Hughes, to come to the school to present commemorative Diamond Jubilee medals to every pupil.

We're sure they'll keep them and appreciate them over the years to come.
